

You've Been Flocked!!

A fundraiser is being held by the **Friends of the Lima Symphony** and this Flock of Pink Flamingos has gathered in your yard to roost! Pink Flamingos love to migrate from yard to yard but have no sense of direction. They need your help and support. Guidance and support for this flock should only be attempted by trained professionals. Fortunately our Flock Removal Technicians are highly trained.

Please check the options below that apply and we will send a team to remove these lovable pink birds.

- Thank you for the flocking but am not able to donate at this time
- I would like to make a donation of \$50 for the removal of these pink flamingos
- I would like to donate another amount for the removal \$ _____

To make this even more fun, I would like to suggest the following person as the next flocking victim:

Name _____

Address _____

Phone _____

Our group is working hard to 'KEEP THE MUSIC GOING' in Lima and the surrounding areas. Our programs are active in many communities. We can keep these activities with your support. We hope you enjoyed this surprise flocking and appreciate the spirit and good will with which it was intended. Thank you!!!

Please call the individual below to arrange to have your flock removed! Or moved!!!!

Contact Erin Grim @ 419.634.3746 for further flocking!!!!!!!!!!
